SUPPLEMENT TO  
REPORT NO.

1. It has been reported from Bolivia that university students throughout the country are planning a strike to begin 21 or 22 August in protest over the government's refusal to release Sergio Almaraz and Jose Pereira, who were arrested in connection with the 15-23 May disturbances in La Paz.
2. It is believed by source that unless the government takes decisive measures in the immediate future there is a possibility that strikes will occur in the mines and violence similar to the Catavi killings in 1949 may take place.
